Support Your Community With Each Transaction

Strengthen Local Businesses By Shopping Locally

You care about the schools, businesses, and nonprofits that make up your community. The decisions you make when you shop have a direct impact on the communities in which you live. When you shop at participating businesses with your Boston Community

Change card, a portion of each transaction is returned to you as a cash rebate and a portion is directed to support the local Main Street organization and a nonprofit or school of your choice—encouraging you to shop locally and share locally.

1 Look for the Boston Community Change decal when shopping or visit our website to learn about participating businesses

2 Present your card at the time of purchase

3 Log on to see how your transactions are generating cash rebates for you and your local nonprofits
